

# PRESENTING **EICHER TERRA 25** **THE TOUGHEST TIPPER**

Tough means strong. Tough means resilient. Tough means having a great capacity to endure. Tough means Terra 25. Living up to the reputation of being the toughest tipper is no mean job. Here is a tipper that knows and understands what's expected of it. Engineered for tough terrains, and even tougher conditions, the Terra 25 delivers with uncompromising authority. Reinforced with strong aggregates, the Terra 25 not just possesses high pulling power and better fuel efficiency but great strength of its character as well.

## **EICHER TERRA 25**
